

Benefits of the Parents Teacher Association: An Executive Committee member has an important role to play in the school. It gives you an opportunity to make that little difference in your school, which most parents expect from this powerful body. In this, it is the teachers and the parents that sit together and discuss various issues regarding school and even a particular student. The overall aim of the PTA meeting is to ensure the school offers the best learning experience for the students keeping in mind their needs. As per the CBSE Compliance we are displaying this information on our official website.
